CASA of Hancock County is a
501c3 non-profit organization.

All donations are tax deductible.

EIN: 27-0278390

Dear Business Owner:

We are contacting you on behalf of CASA of Hancock County, a volunteer program providing direct services to the abused and neglected children in Hancock County. **CASA of Hancock County will hold its 3rd Annual Poker Run Fundraiser at the Harbor House Steamer in Diamondhead on July 9, 2016.** By land or by water there will be five stops to make to collect the winning hand. Our goal is to increase community awareness about child abuse in Hancock County and to recruit additional volunteers who will advocate for child victims of abuse and neglect.

CASA is a nationwide program and CASA volunteers are a diverse network of court appointed special advocates that provide the children they serve with a voice in the youth court system. CASA's offer stability to these children during a very uncertain time in their lives, while a safe and nurturing home can be obtained.

The abused and neglected children of Hancock County need your help.

There are several ways you can support our upcoming fundraiser. Consider sponsorship opportunities that will allow your business exposure leading up to, during and after the event. We will also have a silent auction. Local business owners, such as you, can contribute donations in the form of services, gift certificates, and actual merchandise. Attached you will find a document explaining the sponsorship levels and exposure.

For your generosity either as a sponsor or through a contribution to the auction, you will receive recognition at the event and a potential tax deduction for the value of the item and/or service. Your support is invaluable to our program, the children we serve, and our community. Someone will be in contact with you to discuss sponsorship opportunities or organize pick-up and/or delivery of any donation in your consideration. If you have any questions, please feel free to contact either of us, and know that we remain, for the child!

Regards,

Michael J. Favre
