

# Advocate Training Sponsor Form

**“I can’t become an advocate myself, but I would love to support the CASA program.”**

There are many ways to help support CASA’s work: becoming a mission partner, a recurring monthly donation as an Anchor, and participating in our fundraisers throughout the year. To find out more about these avenues, please visit [www.casasouthms.org/donate](http://www.casasouthms.org/donate).

**Another way to support CASA is to sponsor a meal for our advocate training classes.** Providing meals for volunteers helps us make the most of our training time and builds connection within each training class.
