

Auction Donation Form

Dear Community Partner,

In 2026, CASA of South Mississippi will host two auctions in conjunction with our annual fundraising events in Hancock and Harrison Counties. As a local nonprofit organization whose mission is to recruit, train, and support volunteers who advocate for children in foster care, we invite you to partner with us by donating an item or service to be included in one of these special events.

Whether it's a product, service, gift certificate, experience, or unique item, your donation will be showcased to hundreds of attendees who are passionate about making a difference. In appreciation of your support, your business will be recognized on the auction website.

Your generous contribution will directly support our efforts to ensure that every child in foster care has a consistent, caring adult to speak up on their behalf. Auction proceeds will help us recruit and train new volunteers, provide continued support for current advocates, and bring awareness to the needs of children in our community.
