

CASA Legacy Giving

Legacy giving is a way for donors to support CASA of South Mississippi through financial or estate planning. These gifts can provide long-term financial sustainability while offering tax benefits and other incentives for donors.

With legacy giving, you become a champion for children who face uncertainty, providing a voice for vulnerable children for generations to come. This is a gift that truly changes lives forever.

Examples of Legacy Giving

-  Charitable Remainder Trusts (CRTs)
-  Beneficiary designations for life insurance policies & annuities
-  Real estate & property gifts

To ensure your gift aligns with your wishes, consider discussing your plans with your financial advisor.
